

Apex CoVantage Publishing Services

Publishers need content produced on-time, on-budget, and at scale. Apex excels as an industry leading publishing services partner. Through a combination of publishing services, innovative workflows, technology tools, and a deep team of experienced staff, Apex delivers end-to-end value and excellence.

The world's leading publishers trust Apex for editorial, project management, typesetting, consulting, eBooks, and accessibility expertise. Apex provides turnkey solutions that achieve results.

“Apex’s approach is totally professional and customer-oriented. They helped us reinvent our outdated, circuitous workflows and challenged us to implement automations that have brought our production processes into the 21st century.”

Helen Atkins, Public Library of Science

Publish in record time, with exceptional accuracy

Apex CoVantage has been at the forefront of publishing services for more than 30 years, specializing in the creation of semi-automated production processes that utilize the processing power of technology and the insight and creativity of the human mind to produce the best solutions for clients. Apex has worked with the world's leading publishers to transform how they publish content. With more than 1,500 people, Apex possesses agility to scale quickly to manage and deliver publishing projects for customers around the globe.

Book and Journal Publishing Services

Apex provides the full compliment of publishing services for book and journal production. Apex's XML-first processes, production technology tools, and disciplined workflow methodologies ensure rapid time to market for publishers.

- Project Management
- Copyediting
- Typesetting
- Indexing

- Digital Products

Publishing Technology

Apex's technology tools provide great value to its customers. These tools facilitate production work flows, efficiency, copy-editing, natural language processing, automation, and communication between global teams.

Apex's technology paired with world class publishing services provide customers with game changing solutions.

Accessibility

Creating accessible content has become a necessity for publishers and higher education institutions. Whether tackling remediation or creating born-accessible content, Apex can help you make content meet accessibility standards.

Consulting

Industry leading thinkers, at your disposal.

Something in your process is broken, but you don't know how to fix it. Bring Apex in. We have a deep understanding of publishing and make it our business to know the latest trends. Apex consultants develop agile workflow solutions that adapt to an ever-evolving industry.

Retained Teams

Free your employees to focus on what they do best. Apex has specialized teams who can jump in to diagnose and fix the back office bottlenecks, cost centers, and pain points that are holding your organization back.
